In Re - Docket No. 1999-224-C: Application for Approval of a Third Amendment to an Interconnection Agreement between BellSouth Telecommunications and DSLnet Communications, LLC.

Dear Mr. Addis:

Your request for approval of the Third Amendment to an Interconnection Agreement between BellSouth Telecommunications and DSLnet Communications, LLC was presented to the Commission for consideration during its Regular Business Session on January 14, 2003.

After consideration, the Commission approved this filing since it is consistent with the standards of Section 252 (a) (1) of the Telecommunications Act of 1996 and since it is not discriminatory and is consistent with the public interest in that it promotes competition.

Consistent with previous Commission Orders, the Commission finds that the terms of this Agreement are not to be considered as a precedential standard for other agreements, nor are they binding on any other communications carrier.

Sincerely yours,

David S. Lacoste  
Utilities Department
